### **Reflexology**

A holistic, natural therapy that aims to boost both physical & emotional well-being.

### **Standard Foot Reflexology (1 hour) \$105**

A gentle reflexology treatment to relax the body and mind. Holistic, natural, and soothing, your practitioner will work the reflexes of the foot to boost circulation, stimulate the immune system and promote a deep, refreshing sleep. Treatment uses natural, organic foot balms.

**Contact the Front Desk Team to discuss booking any one of these treatments. Please note they are subject to the availability of the therapist. Advanced booking is very important. Once booked, the treatments are non-refundable.**

### **Facial Reflexology and Natural Lift Facial Massage (1 hour) \$105**

Deeply relaxing, facial reflexology is combined with massage techniques from India and Japan to offer an all-natural face lift. Using only organic rosehip oil or jojoba oil, gentle facial massage improves circulation, nourishing the skin and removing toxins. By strengthening & toning the facial muscles, relieving muscle tension, lines & wrinkles may be reduced.

### **Hot Stone Foot Reflexology (1 hour) \$105**

The healing powers of hot basalt stones that have been washed smooth along river beds and sea shores, are combined with reflexology and natural, organic foot balms to boost well-being and promote calm. Adding hot stones to the reflexology treatment provides a slower, deeper, more luxurious treatment. Heat from the stones penetrates into the muscles, bringing about physical and emotional change. The entire body relaxes, stresses are eased.
