

Make inclusive travel & living a breeze

Mangapapa's Lady Wattie Suites makes your inclusive travel and living a real breeze.

In just a few years it will be the 50th anniversary of Sir James & Lady Wattie building a wonderful bungalow on their Mangapapa Estate with their future mobility, comfort and lifestyle in mind. We now call these rooms our Lady Wattie Suites. To this day, their pioneering design foresight has enabled a significant number of guests to all inclusively enjoy their stay at Mangapapa.

Combining a wheelchair accessible entrance ramp, double opening doors, wide corridors, windows with garden and rural views at wheelchair or walker level, showers with a bench seat and easy to reach grab rails, and disability approved toilets with grab rails, these rooms are designed to make accessibility a breeze for the discerning traveller. You can even park right outside the Suites for even easier accessibility and privacy.

Elsewhere in the property you will find access ramps and step elevators so that all guests with can easily make their way through the property.

The peacefulness and serenity of the property, our lush heritage gardens and the beautiful green energy generated from the mature trees is captured by floor to ceiling windows, easily making Mangapapa one of the most desirable places in Hawke's Bay to stay, work, rest & play.

Fully supporting our accessible and inclusive rooms is our inhouse restaurant which serves world-class local cuisine accompanied by beautiful wine and our talented kitchen team ensures all guests dietary preferences can be fully catered to. And if you are interested in Art, we have a few stunning pieces on show that we really treasure, and you can spend time contemplating.

Our friendly team is ready to warmly welcome you, so you can fully experience the magic of Mangapapa.
